TUTORING

PEER TUTORING-(California Scholastic Federation-CSF-Students):

After School: Monday, Tuesday, Wednesday, Thursday 3:00-4:30 pm.

Monday and Tuesday in room 602. Wednesday and Thursday in room 655. No appointment is necessary. Students need to ASK for assistance and let the peer tutors know what assistance is needed! No cost to student.

MATH TUTORING:

The Math teachers have organized their own tutoring program that has a specific schedule. See your Math teacher or GLC for this schedule. Schedule also available at <http://help.dbhsmath.org>
No cost to student.

CHEMISTRY TUTORING:

The Chemistry teachers have organized their own tutoring program that has a specific schedule. See your Chemistry teacher or GLC for this schedule. Schedule also available at www.dbhs.org. Guidance Link or at the Class of 2021 link. No cost to student.

PEER TUTORING FOR A FEE:

A peer tutoring list is available from your student's GLC. The tutors are usually Honors and Advanced Placement level students. It may be arranged for tutoring to take place on or off campus. Costs vary.

DBHS TEACHERS:

DBHS teachers want their students to be successful and learn the material. Contact your student's teacher by leaving phone messages through the school switchboard at 594-1405. Please leave your phone numbers and times you may be reached. Hearing directly from the teacher what the student specifically needs to work on will benefit all parties involved. Most teachers have a website with valuable information about their classes, and most have e-mail address for quick contact. Access them through the DBHS website at www.dbhs.org. and then go to the appropriate link. It is up to the student to approach the teacher and inquire about the hours that the teacher is available.

PRIVATE TUTORING:

There are private tutoring businesses available in the yellow pages and on the internet.
